

getfem::velocityJump
_Cross

DarcyFractured::assembly

```
graph LR; A[DarcyFractured::assembly] --> B[getfem::velocityJump_Cross]
```

A diagram showing a call from `DarcyFractured::assembly` to `getfem::velocityJump_Cross`. The call is represented by a blue arrow pointing from the `DarcyFractured::assembly` box to the `getfem::velocityJump_Cross` box.
