

FractureData::etaTangential  
Distribution

FractureHandler::init

```
graph LR; A[FractureHandler::init] --> B[FractureData::etaTangential Distribution]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'FractureData::etaTangential Distribution' on two lines. The box on the right is white with a black border and contains the text 'FractureHandler::init'. A blue arrow points from the right box to the left box, indicating a call or relationship from the handler's initialization to the distribution data.
