

FractureData::getFEMType  
Pressure

```
graph LR; A[FractureHandler::init] --> B[FractureData::getFEMType Pressure];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'FractureData::getFEMType' on the top line and 'Pressure' on the bottom line. The box on the right is white with a black border and contains the text 'FractureHandler::init'. A dark blue arrow points from the right side of the white box to the left side of the gray box.

FractureHandler::init
