

getfem::darcy\_A12F  
\_Cross

DarcyFractured::assembly

```
graph LR; A[DarcyFractured::assembly] --> B[getfem::darcy_A12F_Cross]
```

A diagram showing a call from the `DarcyFractured::assembly` function to the `getfem::darcy_A12F_Cross` function. The `getfem::darcy_A12F_Cross` box is shaded gray, while the `DarcyFractured::assembly` box is white. A blue arrow points from the white box to the gray box.
